July 14th, 1917

C. E. Race, Esq.,

Registrar, The University of Alberta.

Dear Mr. Race:

I am directed by President Falconer to acknowledge with thanks the receipt of your letter in reply to his request for information regarding the military activities of your University.

Yours very truly,

President's Secretary.

June 22nd, 1918

Rev. D. V. Ransay,
75 Hogarth Avenue,
Toronto.

Dear Dr. Ransay:

I am sorry that the Assembly placed me as
Convener of the Colleges' Committee. However, I will endeavour
to do my duty in regard to it. I shall be glad to meet you at
any time that is mutually convenient. If you could meet me on
Monday afternoon, June 24th, at 2:15 in my office I shall be glad
to talk the matter over with you.

Yours sincerely,

President.

March 26th, 1918

Mrs. F. Reed,

12 Orde Street,

Toronto.

Dear Mrs. Reed:

I have asked the Superintendent of the University to examine your house, No. 12 Orde Street, and report upon the possibility of our using it in any way. He reports to me that the house is not situated in such a way as will make it suitable for us to use ^{it} in view of the policy that we are laying down. If we buy houses for women's residences we shall need them in a different quarter of the city so that I do not think you can expect that the Governors will look favourably upon your offer.

I am,

Yours sincerely,

President.

October 29th, 1917

Miss Reid,
Frankston Hall,
Toronto.

Dear Miss Reid:

I regret to have to inform you that owing to the increasing demands in the use of the swimming pool by the students of the University in the various Faculties it has become necessary for us to discontinue the privileges in regard to it which have been granted to outside institutions in the past.

Yours sincerely,

President.

February 1st, 1918

A. T. Reid, Esq.,

Toronto.

My dear Mr. Reid:

I have made inquiries from Mr. Bretner who knows more about the work of Mr. Troyer than I now do and he tells me that he believes it has been quite satisfactory, but for more than a year I have myself not been connected with it. I always heard, however, that Mr. Troyer was able to get into closer touch with the boys of the school than Mr. Staten of the Y.M.C.A. was. Mr. Bretner also tells me that men like Mr. James Pyrie, along with Dr. A. S. Grant and others are standing behind the movement. Mr. Troyer was perhaps not much of a student from all accounts but I have been led to think that he has other abilities and characteristics that make him successful.

I thank you for the opportunity of reading Mr. Woods' letter which I am returning. Like Mr. Woods I hope that you get good news from your son. With kind regards, I am,

Yours sincerely,

President.

December 13th, 1917

Archdeacon R. J. Renison,
Church of the Ascension,
Hamilton.

My dear Archdeacon:

It would give me a great deal of pleasure to address your people in Hamilton, but I have found it necessary to refuse all requests to deliver religious addresses or sermons. This is simply a matter of self-defence, and I am sorry to have to say so.

With kind regards, I am,

Yours sincerely,

President.

July 11th, 1917

Rev. Louis Rheaume,
Rector, Ottawa University.

Dear Sir:

I am directed by President Falconer to acknowledge with thanks the receipt of your letter of the 10th inst. in reply to his questions regarding your military activities. He would be glad to have your complete list when the Reverend Professor in charge has completed it.

Yours very truly,

Secretary.

June 4th, 1918

Dear C. E. Robinson,

University of British Columbia,

Vancouver, B.C.

Dear Dean Robinson:

I have just received your letter in support of the application of Mr. C. L. Fraser for one of the Fellowships.

I will lay this before our Committee and hope that before the end of June we may be able to make our election to the fellowships.

I cannot of course state anything as to the prospects of any individual. We shall have to do the best with the few that are at our disposal.

With kind regards, I am,

Yours sincerely,

President.

December 17th, 1917

Dr. Roger,
Whitby, Ont.

Dear Dr. Roger:

I have this morning looked into the case of your son and find that on the 8th of November a certificate was sent to him from the University giving his standing and stating that he could finish his course in the University of Toronto within 36 months, the period, I understand, which was set by the military authorities as qualifying for the return of medical students.

On inquiry at the office of the Faculty of Medicine I find that they are expecting a return of a number of medical students for the beginning of the third year some time in January. No names have been sent to them, but it is possible that your son may be among the number.

I hope that you will find that this official action that was taken some time ago will prove to be effective.

I am,

Yours sincerely,

President.

April 16th, 1918

The Right Reverend Bishop Roger,
140 Bay Street,
Ottawa.

My dear Bishop Roger:

I have just received your letter bringing to my notice the application of Mr. H. A. Irwin for a Commission in the University Company of the Tank Battalion. I am sending the application to the Major in whose office all these applications are referred, and I will have him give very careful consideration to it. No appointment has been made, but I shall very soon go into the matter and will of course give the most careful and favorable consideration to the qualifications of Mr. Irwin. The fact that you have written of him as you have done will, I do not need to say, count very much in his favour.

Yours sincerely,

President.

March 13th, 1918

J. W. Ross, Esq.,

Montreal.

Dear Mr. Ross:

Dr. Clarence M. Pincks, who is on our staff in the University of Toronto, is visiting cities of Canada for the purpose of creating a Canadian National Committee for Mental Hygiene. The movement has been very successful in the United States, and it seems to me that it is no less necessary in Canada. Dr. Pincks wishes to secure the assistance of leading men in various parts of the Dominion, and I am therefore giving him a letter of introduction to you and he will tell you his own story.

Yours sincerely,

President.

Department of Medicine,
University of Minnesota.

Dear Dr. Fowdree:

I have to-day sent a letter to Lt.-Colonel W.F. Penry, who is in command of our University of Toronto Canadian General No. 4 Hospital, asking him if possible to get a temporary appointment for you on his staff. I hope that he will be able to get you a position. I would advise you to write directly to Colonel Penry at the above address. It will be a pleasure to us if he finds it possible to offer you a position on the staff which you can accept. With kind regards, I am,

Yours sincerely,

President.
